Explanation of Responses:

- Represents the satisfaction of tax withholding obligations upon the vesting of restricted stock units.
- Represents vesting of one-half of restricted stock units granted on March 15, 2021. The award has fully vested. Each unit converted into a share of class A common stock on a one-for-one basis.
- Represents restricted stock units granted pursuant to a determination by the Compensation Committee of the Board of Directors of the issuer as payment in respect of a portion of the annual bonus earned by the reporting person with respect to 2022. The number of units was determined by dividing the dollar value of such amount, based on actual performance for 2022, by the average of the high and low prices of the class A common stock on the day preceding the grant date. Since the restricted stock units are payment in respect of a portion of the 2022 bonus, they are subject to immediate vesting. Each unit converts into a share of class A common stock on a one-for-one basis.
- These performance-conditioned restricted stock units are scheduled to vest based on the achievement of certain revenue and AEBITDA goals over a three-year period (2023-2025). Each restricted stock unit converts into a share of class A common stock on a one-for-one basis.
